Premium Assistance for Maternity

Helping women across New Mexico
pay for pregnancy costs.

If you are...

- Pregnant and don't qualify for Medicaid or have health insurance that does not include maternity care coverage, Premium Assistance for Maternity (PAM) is perfect for you.

How do I know if I'm eligible?

To find out if you're eligible for PAM, call **Insure New Mexico! SOLUTIONS** at **1-888-997-2583**

The Cost

A one-time premium, depending on the trimester of pregnancy.

There are no deductibles or co-payments.

First 20 weeks of pregnancy (Months 1-5)
\$150, one-time fee

Second 20 weeks of pregnancy (Months 6-9)
\$300, one-time fee

PAM Benefits

- PAM pays for pre- and post-natal care, delivery and other pregnancy-related health services.
- PAM provides pregnancy related health insurance coverage for those not eligible for Medicaid because of income.

Expectant mothers with health insurance that includes maternity coverage do not qualify.
